

# Privacy Policy

This privacy policy is designed to inform individuals who are concerned about how their Personally Identifiable Information (PII) is handled online. PII, as defined in privacy law and information security, refers to information that can be used alone or combined with other data to identify, contact, or locate an individual, or to identify an individual in context. Please read our privacy policy carefully to understand how we collect, use, protect, and otherwise manage your Personally Identifiable Information in relation to our website.

## **What Personal Information Do We Collect from Visitors to Our Blog, Website, or App?**

When you order or register on our site, we may ask you to provide your name, email address, or other details to enhance your experience.

## **When Do We Collect Information?**

We collect information when you register on our site or provide information through our site.

## **How Do We Use Your Information?**

We use the information we collect in the following ways:

- To personalize your experience and deliver content and product offerings tailored to your interests.
- To improve our website and better serve you.
- To process your transactions efficiently.

## **How Do We Protect Your Information?**

We do not use vulnerability scanning or PCI compliance scanning. We only provide articles and information.

Your personal information is stored behind secure networks and is accessible only to a limited number of authorized personnel who are required to maintain confidentiality. Sensitive/credit information is encrypted using Secure Socket Layer (SSL) technology.

We implement various security measures to safeguard your personal information when you enter, submit, or access it.

## **Do We Use 'Cookies'?**

Yes. Cookies are small files transferred to your computer's hard drive through your web browser (if you allow) that help us recognize your browser and remember certain information. They also help us understand your preferences based on previous or current site activity, which improves our services. Cookies also assist us in compiling

aggregate data about site traffic and interactions to enhance our site experiences and tools.

### **We Use Cookies To:**

Remember and save user preferences for future visits. Gather aggregate data about site traffic and interactions to improve site experiences and tools. We may use trusted third-party services for tracking this information on our behalf.

You can choose to be notified each time a cookie is sent or disable cookies entirely through your browser settings. Refer to your browser's Help Menu for instructions on managing cookies.

### **If Users Disable Cookies in Their Browser:**

Disabling cookies may impact the functionality of features that enhance your site experience.

### **Third-Party Disclosure**

We do not sell, trade, or transfer your Personally Identifiable Information to outside parties without prior notice. This does not include website hosting partners and other parties assisting us in operating our website or serving our users, provided those parties agree to keep the information confidential. We may also release information to comply with the law, enforce our site policies, or protect our or others' rights, property, or safety.

### **Third-Party Links**

Our website does not include or offer third-party products or services.

### **Contacting Us**
